Kam, 24

The Editor in Chief
International Journal Bioautomation

Respected Sir

I am submitting an article for possible publication in the Journal of International Journal Bioautomation. The authors declare that the article has not been published before, and not being considered for publication elsewhere.

For your consideration, I suggest Prof. Widodo (lecture of Brawijaya University, Indonesia) as a reviewer of my article. Prof. Widodo's email is widodo@ub.ac.id. Thank you.

Looking forwards

Dear Prof. Fathul Zannah,

Thank you for the submission of your paper

Identification of Metabolite Compound and Biological Activity of *Diplazium esculentum*

with authors: Fathul Zannah, Mohamad Amin, Hadi Suwono and Betty Lukiati

for a possible publication in International Journal Bioautomation (<http://biomed.bas.bg/bioautomation/>).

Your paper has been proceeded to the reviewers.

As soon as we have the reviewers opinions we will inform you.

Please use in subsequent correspondence name of the paper - 740_Zannah.

Best regards,
Prof. M. Matveev
Chief Editor of Int. J. Bioautomation

Dear Prof. Fathul Zannah,

Your paper

Identification of Metabolite Compound and Biological Activity of Diplazium esculentum

will be accepted for publication in International Journal Bioautomation.

The paper is being prepared for publication. We will keep in touch with you in case more information is needed.

I would like to inform you that there is a large queue of papers waiting to be published.

Priority is given to papers for which an annual subscription has been paid.

So, if you want you can pay an annual subscription to International Journal Bioautomation for 2021 or 2022 (200 Euro or 250 USD).

In case you need a Proforma invoice, please let us know.

Please remit payment to the following account:
